Sounds great! I'll send you a calendar invite for 2:30. No problem at all on the response timing.

Thank you Paul! Always appreciate you working and mentoring the clerks. Please feel free to enter it directly into the log. I think they are pretty equal on workload. Kelsey has a couple of quicker assignments, and Will is about to start a research project with Erin P. tomorrow so depending on timing, it might be good to assign it to Kelsey?

I've got an **Ex. 5 AC/DP** project related to Dewey Burdock. Should I run it by you first, or enter it directly into the log? Just want to respect your process. Thanks Mai!

Please send Marc and I a brief email letting us know you added an assignment. We're always looking for research and writing projects so please let us know if you have any ideas.
